

Fritidsfond

The financial assistance scheme Fritidsfond is intended to ensure broader participation and inclusion of more children and youth in long-term organized leisure activities when families lack the finances to pay for this themselves. Fritidsfond applies to children and youth up to the age of 18 in Kristiansand Municipality.

What is covered?

- Participation fees and necessary equipment for children and youth who will participate in organized leisure activities.
- Individual trips, activities, tournaments, etc. associated with the organized activity.
- The maximum support amount per year is NOK 10,000 for all expenses linked to the activity.

Who may apply?

Parents, guardians and persons authorized by parents. We recommend that you read the information on our website to find out if Fritidsfond applies to you.

The application process is continuous, and you can apply for support all year round. Support from Fritidsfond is paid directly to clubs/organizations, not to the family.
