

General information – May 17th 2019

Song contest

A song contest will be organised in connection with the school parade. Jurors located along the itinerary will vote for the best performances in the popular parade. The top three schools will receive prizes!

Drawing contest

A drawing contest for the primary schools has also been held this year. All those who have participated will receive a diploma. Three pupils will be awarded tickets to Dyreparken.

Best feature of the civic parade.

Jurors located along the itinerary will vote for the best / most creative feature in the popular parade. The top three groups will receive prizes!

Avoid accumulations where the parades finish.

Participants in the school parade and the civic parade are requested to continue along Strandpromenaden [Kristiansand Boardwalk]. NB! The vehicles in the civic parade will continue straight ahead along Kongens gate when the parade is finished.

Avoid stopping in the tunnel.

When the school parade, the civic parade and the Tapto parade pass Festningsgata, all traffic will be stopped at the exit of the tunnel.

Be considerate of the brass bands.

Make room for the bands in the full width of the street!

Please do not run into the brass bands. The musicians can easily get hurt.

Parking

Parking in / use of Kvadraturen

All parking is prohibited in all the parade itineraries. Vehicles parked in a parade itinerary will be fined and towed away at the owner's expense in accordance with the Road Traffic Act, § 37.

Parking in Kristiansand

Ordinary enforcement will take place. You can park free of charge on May 17th in: P-hus Slottet in Fjellgata, P-hus Gyldengården, with access from Skippergata. Parking lots: KMV tomta, Bryggeriplassen, Vestre Kiosk and Lund Torv. Otherwise, please follow the signposting on site. Handelens Hus will be closed for parking.

The road barrier by Colorline to the container terminal will be open from the morning and until after the school parade to relieve traffic.

Andreas Kjærs vei by the Hospital will be closed to traffic towards Kvadraturen.
